

2017. 4. 10

To: Japanese Embassy in Baghdad

Sub: Investment Opportunities

Dear Sirs.

We would like to inform you that Ministry of Electricity (MOE) is ready to receive Company's Technical and Commercial Proposals for Build, Own and Operate (BOO) Solar Power Plant in all Iraqi Governorates with Tariff (3.5 Cent/ KW. Hours) and Investment period about (15 years) with extendable of (10 years) by side's agreement.

MOE also has future Investment Opportunities for Rehabilitation, Operation and Transfer (ROT) for the following Power Plants:-

1. Sallah Aldean and Al Anbar Power plants.
2. Al-Nassryiah Thermal Power Plant (4 X 210 MW).
3. Al-Hartha Thermal Power Plat. (4 X 200 MW).
4. Al-Yossifiyah Thermal Power Plat. (2 X 210 MW).

All the Companies could send the willingness for the A/M Investment Opportunities through our E-mail (32_contracts@moelc.gov.iq) and also could visit MOE website (www.moelc.gov.iq) to be informed about the Investment Opportunities that be announced lately.

..Best Regards
